

# Education Visit Booking Information

Please read the following information carefully so that we can facilitate your booking as quickly as possible.

Your booking is not confirmed until the booking form has been returned to us and deposit received. We ask you therefore to complete the form and return it to us as soon as possible, even if you are unable to finalise all details, such as student numbers, immediately. **At the time of booking we require a deposit of £105 for all groups.** When we process your booking and you confirm numbers with us, we will calculate the final cost and invoice you for the balance.

Due to the limited capacity of the house, the maximum primary group size we can accommodate is one standard class. We can offer some bespoke activity days and half days to larger groups. Please email or call us to discuss your requirements.

We will send you a copy of our Health and Safety document with the invoice for your information. This is no substitute for your own risk assessment and we ask you to follow the policy set out by your own educational establishment.

If you are here for a day or half-day, you are welcome to use the grounds for picnicking. Let us know if you would like us to book a room for your use should the weather be unsuitable for picnics, and we will be happy to do so.
