

Education Visit – How To Book: Autumn 2021

STRAWBERRY HILL
Horace Walpole's Gothic Castle

Please read the following information carefully so that we can facilitate your booking as quickly as possible.

Your booking is not confirmed until the booking form has been returned to us and deposit received. We ask you therefore to complete the form and return it to us as soon as possible, even if you are unable to finalise all details, such as student numbers, immediately. **At the time of booking we require a deposit of £150 for all groups.** When we process your booking and you confirm numbers with us, we will calculate the final cost and invoice you for the balance.

Due to the limited capacity of the house, the maximum primary group size we can accommodate for a normal workshop is one standard class. However, we can offer some bespoke activity half days to larger groups. Please email or call us to discuss your requirements.

We will send you a copy of our Health and Safety document with the invoice for your information. This is no substitute for your own risk assessment and we ask you to follow the policy set out by your own educational establishment. We are happy for you to visit in advance for a recce, please call or email to arrange.

Please note that due to Covid-safe measures, parents accompanying school visits are currently unable to join the group on the tour or for workshops. Only teaching staff and LSAs will be permitted to accompany the group inside. Parent helpers are most welcome to use our café or enjoy our gardens while children are in the House or book in for a self-guided tour from 11am. Many thanks for your understanding. If your group is not a class or year group "bubble", please indicate this on your booking form.

You are welcome to use the grounds for picnicking after your visit. Let us know if you would like to book our education room for up to one hour should the weather be unsuitable for picnics, and we will be happy to do so if it is available.
